Folks,

Here is the revised River Fleet plan; I'd like to respond to this by next Monday, 6/25/12, so I would appreciate any comments by then. Also, I'm attaching the comments on the draft.

Thanks,

Subject: Final Work Plan - SJRF Site

---

Gary;

Attached is an electronic copy of the final work plan for conducting the preconstruction baseline site assessment at the San Jacinto River Fleet property.

As requested, no hard copy will be sent.

Since we are in hurricane season, SJRF is anxious to move forward with getting the Agreed Order in place, so if that could be expedited, it would be greatly appreciated.

If you have any questions, please feel free to contact me.

Thanks  
Mark B.
